The application has been amended as follows:

Claim 11, line 3, -- an -- has been inserted after "made", and -- and -- has been inserted before "extending."

These changes have been made to correct informalities and not to change the claim scope.

The following is an examiner's statement of reasons for allowance: as pointed out by applicant, Sato et al does not have centering feet; the locking means of Asick et al are on the covers, not the base having the contacts. Further, the centering feet 13 of Chang are on the lower cover, not base 41. Although centering feet 25 are on the base of Su et al, the effective date thereof is after the effective date of the instant application. Thus claim 11 defines over all art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary F. Paumen whose telephone number is 571-272-2013. The examiner can normally be reached on Monday-Thursday.
